Have an on-the-job injury? Do you need to have a drug screen or physical done? We make it our business to take care of yours! We provide excellent care for your employees and timely treatment at our facilities to minimize loss of time from work. We understand your need to get employees in, out, and back to work. Our comprehensive program is designed to help you maintain a healthy workforce while controlling cost. We are an employer's solution for industrial and occupational medicine.

To provide your company with excellent occupational medicine services, visit our website www.allsouthurgentcare.com . If you do not already have an account with us, we would ask you to complete the **Company Information** sheet (under the **For Employers** tab) with the services you need us to provide and send by fax or email to a contact provided below. The company Information will be kept on file at both AllSouth Urgent Care facilities.

Fax: 334-699-3602

Email any of the following:
